NEWS FROM ROSEBUD JUNIORS

Last weekend saw much better conditions and play in all games was much improved in the first game played when our U/8 team defeated Kotara by 1-0. Robert Eades was the boy who stood out in general all round play whilst Peter scored the winning goal.

The U/9 team won 2-0 and this puts them into the gala day on Queens birthday weekend. Billy Redfern was in good form and scored one goal. K. O'Donnell scored the other one.

Our U/9/2 team also kept up the good work and won by 1-0 with K. Dumbrell scoring. Les Howell managed these boys and reported that they played as a team and all played well. The U/11 team lost by 4-0.

The U/12 team again won very easily and this team also goes into the gala day—scores in this match were 10-0.

The U/14 team had another win by 1-0 but I was told that one goal means 2 points so why score more.

Kevin Lewis was the star of this match, closely followed by John Williams who played on the field instead of goalkeeper and George Strong scored from a corner kick well placed by John.

Our U/15 team were well and truly beaten by New Lambton South, the score being 3-0, but we had our revenge in the following game when Roy Edward's team of U/16 defeated New Lambton South by 2-1. This was a very good game to watch as play saw-sawed from one end of the field to the other and both goalkeepers played very well.

The All-Age team had a runaway win against Postal, the score being 15-0.

The cake that was donated by Mrs. Bob Thompson for a guessing competition was won by Mrs. Elva Hancock—lucky Bill, it's his birthday this weekend.

GARRRETT AND TWIDDLE MAY
PLAY AT WALLSEND

by "Stopper"

Newcastle Australs newest imports could play at Wallsend on Sunday. Garrett will be remembered by Northern Soccer followers when he toured Australia with the Blackpool side in the late 1950's and was a success in many positions in defence.

Twiddle is a forward with a fine record having played as a full professional in 2nd division in the United Kingdom.

Australs will be opposed to Cardiff on Sunday, and both Garrett and Twiddle could be included in the team.

They leave by plane on Friday at 3 p.m. and will arrive in Newcastle at approximately 11 a.m. on Sunday morning.

Should they be fit after the long flight, no doubt Australs will include them in their side.

Australs in recent weeks have been most impressive. The defeat by Maitland last weekend was no disgrace—their play in that match was good.

Jack Hargreaves—recent acquisition for Newcastle Australs—arrived from England last week.

Cardiff on the other hand against Cessnock last weekend looked very mediocre, although the week before against the leaders Maitland, they shone-out.

They could test Australs if they produce the form of the week's previous—but whether Austral include Garrett and Twiddle or not—I favour them to win.

Leaders Play Saturday

Maitland, the unbeaten competition leaders meet Merewether at Adamstown Oval on Saturday.

Maitland continued their winning run last week-end when they accounted for Australs, although they have won their last three games, some fortune has been with them.

They have defeated Cessnock 2 goals to 1, Cardiff 2 goals to 1 and Australs 2 to 1.

Merewether did well when defeating Awaba but last week were not as impressive in their draw with Adamstown.

However, a good game appears certain and a win for either team would not surprise.

Merewether has home ground advantage and I a drawn match.

Good Match at Cessnock

The Cessnock - Wallsend clash at Cessnock on Sunday appears a most attractive fixture.

Wallsend as yet undefeated—having played five drawn matches in as many games—is keen to gain a two pointer.

Cessnock had a convincing and easy win against Cardiff, but will be without Lennard again.

Bruce Morrow appears to have the Wallsend side settling down now and Giles is settling back into the attack. Even with the home match, I think that Cessnock will be hard pressed to stop Wallsend's first win.

Local Derby—Lake Macquarie Meet Awaba

At Speers Point on Sunday, Lake Macquarie are at home to Awaba.

Lakes did well to defeat West Wallsend the week before last and they drew with Wallsend last weekend, while Awaba have been defeated by Merewether and West Wallsend.

On paper the Awaba team should do better but form suggests a Lake Macquarie victory.

Spotlight on a Player

This week we spotlight Maitland centre forward, Keith Frew.

Keith played much of his junior football in the Cardiff area, his father being a keen member of the Cardiff Junior Club.

When Keith graduated to senior ranks, he played his first season with the Cardiff Club.

KEITH FREW

During this time he played in the Cardiff first eleven on many occasions.

He then transferred to the West Wallsend Club, where he occupied the centre forward berth for some time, and first really started to catch the eye.

After a period with West Wallsend, Keith turned his eye on coaching and when offered a job of coaching the Young Wallsend second division eleven, he decided to take it.

His coaching project met with mixed success during the 1962 season.

When the 1963 season came around he decided to join the newly promoted Maitland side and he has been that club's centre forward since they entered first division.

MAITLAND STILL UNCONQUERED

Maitland retained its unbeaten record by defeating Newcastle Australians at Maitland, by two goals to one last weekend. The ability of their forwards, to grasp any available opportunity to score again held them in good stead.

The Austral side did particularly well and with an extra bit of luck could have been the first to topple the Wallsend.

More Drawn

The draw was an unprecedented thing for Wallsend who drew their match this weekend against Lake Macquarie.

This brings Wallsend's win tally to five in as many matches.

Wallsend had the opportunity to win this match but the fight of Lake Macquarie's constant pressure on Wallsend defence and the fact that they were unable to equalise scores at 2-all.

Had Lake Macquarie used the speed of John Sheen's speed, in the Wallsend defence they have been further troubled.

The second drawn game in this series of fixtures was between Adamstown and Merewether who played a full draw at Adamstown.

The match lacked sparkle and neither team really looked like winning at any stage of the game.

Both sets of half backs played well and consequently a great deal of the play was centred in mid-field.

The unfortunate accident which Adamstown forward Barry Burgess broke his leg and Merewether defender Denny Smith gained a light concussion, was a regrettable happening. At this stage neither side had scored and the match was in its last stages.

Max Hamilton placed a free kick perfectly for Arthur Brady to equalise the scores at 1-all, after a dazed Denny Smith, who had been transferred to the left wing had sent Merewether to the

West Wallsend's Win

West Wallsend registered a good win over Awaba when they defeated them by 3 goals to 1.

In a hard open match the West Wallsend forwards were in good form. This win will be a lift to the West Wallsend team.

Dull Match at Cardiff

In what had appeared on paper to be a good fixture between Cardiff and Cessnock at Cardiff last Sunday, the actual game was dull and unattractive.

The early moments of the match were probably the best. Early in the first half Colin Moore, the Cardiff left half was injured and was placed on the left wing. Later he was again injured and was replaced by youthful Col Myers.

The Cessnock side soon were on top and never lost

hold of the match at any stage.

The Cardiff forwards again failed in front of goal—they badly need a good scoring forward if they wish to win matches.

Final Scores—1st Div.

Know Your Administrator . . . RALPH GREAVES

This week we introduce to you Mr. Ralph Greaves, president of Newcastle Australs Club.

Ralph Greaves is a product of the U.K. and from the time of his arrival in this country he has been an ardent follower of the soccer code.

Over many years he has been to the fore in soccer administration, both at club, district and State level.

Ralph was a director of the old N.S.W. Soccer Association, a position he held for some seasons. He is a past vice president of the Northern Soccer League and has served several terms as a district selector.

He has been president of the Australs club for many years and prior to his retirement as Newcastle manager of Foster's Shoes, the Australs club and soccer were his main forms of relaxation.

RALPH GREAVES

A dream dear to Ralph's heart will materialise when players of the calibre of Tom Garrett and company take the field in the Australs colours.

A hard worker for soccer in the past, Ralph since his retirement has taken to bowls.

If he displays the same enthusiasm for that game as he has for soccer, then he will really make his presence felt.

Two Old Clubs Meet at West Wallsend

Old rivals, West Wallsend and Adamstown, meet at Johnstone Park, West Wallsend on Sunday, and a close game could result.

Adamstown and West Wallsend have not been the most successful sides to date, but both have shown improvement in recent weeks and both want the points from this match badly.

Adamstown will probably be without stalwart defender J. Easton and this could affect their chances.

West Wallsend should be at full strength and if last week's form, when they defeated Awaba can be maintained, they should have an edge on Adamstown.

On And Off The Field

Good news for soccer enthusiasts. The Peruvian amateur side which will play a match in Newcastle.

Other matches scheduled for the tour are two each in Melbourne and Sydney as well as matches in Adelaide and Brisbane. The exact date of the Newcastle match is yet to be announced.

Next Sunday will be a "letter day" for Newcastle Australs, when overstars Tom Garrett and Twiddle arrive in Newcastle.

After arriving in Sydney about 6 a.m., coach Bill Barna will bring them to Newcastle by car and quite fittingly, Austral officials will entertain the pair at lunch. What is considered the club's unofficial headquarters, the Niagara Cafe in Hamilton.

A keen worker in Junior soccer circles for many years has been Newcastle Association president, Bill Walker.

Although son, Bute has graduated to the senior ranks with Adamstown, and son Murray is one of the district's top cyclists, Bill's interest in the junior body has never wavered.

Trouble Department — Last week, we apparently missed the gun in announcing Alan Johns as a candidate for presidency of Adamstown Rosebuds Club. To the other candidates we apologise. Among other nominees are Arch Connolly, a former president, and John Bown.

Out Lithgow way the soccer code is really thriving. Like many country centres the game is now rivaling Rugby League for spectator interest.

In a few season's time, soccer appears certain to be-

come the nation's No. 1 boothball code.

Congratulations are due to hard working Cardiff Club secretary Ron Vercore and his good wife.

The reason is a recent addition to the family.

It seems an awful waste of a good player to see Bill Mahoney, former International goalkeeper on the sideline looking on.

Not old as 'keepers go—he is only 32—he is now at a loose end.

Could be an asset to some struggling club. What about it Bill?

Not the least happy of Austral officials will be secretary Tom Smith.

Tom has been a member of Australs from formation days and has been with the club through its lean years.

Arrival of the players from overseas this week and the prospects of another coming, no doubt make Tom and the other committeemen feel that this could be the season they have been waiting for.

QUESTIONS:

Q. 1: You have been notified that a team is going to change its goalkeeper, but before the change can be effected the present goalkeeper is called upon to break up an attack. During this period the goalkeeper handles the ball in the penalty area. What action would you take if any?

Q. 2: A winger runs the ball up the king, beats an opponent, then passes the ball back to his inside man. Seeing that if he stays where he is, he will be offside if his man passes the ball through, he runs over the goal line. Would you penalise the winger?

Q. 3: A team is awarded an indirect free kick just outside the penalty area. The kicker lofts the ball over the heads of the defence and it enters the net without touching another player. What is your decision?

Q. 4: A player is standing on his own penalty line. The goalkeeper taking the goal kick plays the ball to this player who returns it to the goalkeeper who then clears upfield. Is this in order?

Q. 5: The ball is travelling about waist height through the air and a defender puts his head down to head the ball just as an opponent goes to kick the ball. The player who put his head down has infringed by causing dangerous play to himself, but his opponent gets the ball and starts an attacking movement. Would you stop play?

ANSWERS:

A. 1: None. The goalkeeper is still the goalkeeper until the actual change takes place.

A. 2: No. This is a happening in the normal course of play.

A. 3: Goal kick. A goal may only be scored from an indirect free kick after the ball has been played by another player.

A. 4: No. The ball has not passed outside the penalty area from the goal kick therefore the ball is not in play. Stop the play and have the goal kick retaken.

A. 5: Yes. The law states that there is no advantage to be gained from dangerous play as the player must be cautioned for creating danger to himself or others.

MACQUARIE JUNIOR ASSOCIATION BOUNDARIES DEFINED

The governing body of Junior Soccer in N.S.W. last Friday met on the problem of defining a boundary for the Macquarie Junior Association.

As a result it was decided that the boundary shall be the present geographical boundary of the Lake Macquarie Shire.

As there are certain rules and regulations governing Associations using grounds in adjoining association boundaries, the State body requested that both Junior Associations in this area deal with any problem in that respect in the correct manner.

A decision concerning referees was made at last week's meeting, in relation to young boys acting as referees in games.

This Association has now ruled that the minimum age that a person may referee competition fixtures shall be 16 years.

Clubs are requested to return by the 1st June the gala day guessing competition butts as these are required on that date.

Due to the East Lakes under 18 team withdrawing from the competition, a new draw for the second round was required. In this competition Cessnock Police Boys and Toronto-Awaba are leading.

The new secretary of the Lake Macquarie Junior Club is Mr. E. Hamonet of 47 Seventh St., Boolaroo, telephone Boolaroo 420.

After over ten years service to the code Bert Donkin the well-known Lakes secretary decided he required an urgent rest.

JESMOND NOTES

The game against Mayfield was a terrific affair with the Jesmond team not settling down early and Mayfield playing good football went to a big lead of 4-nil.

The Jesmond boys soon came back and the last half hour of play was very hectic.

Jesmond was all over Mayfield to go down in a blaze of glory by one goal, 4 to 3.

Jesmond best were W. England, L. Evan, J. Field. A big crowd of 500 stayed right till the end.

Hajduk toured Australia in 1949. The only game this side lost was the one in Newcastle against Australia by 1-2. All together there were 17 games played.

Beara, their former goalkeeper, who represented Yugoslavia on numerous occasions is due to arrive in Australia next Saturday. He will play for Yugal.

England Wins

The English side had a welcome return to form, in Prague during the week.

England defeated World Cup runners-up Czechoslovakia 4 goals to 2 in the first match of their three game European tour.

In what was possibly the best performance by an English side for two years, Czechoslovakia was well beaten, after England had led 2-nil at half time.

Other matches in the European tour will include East Germany and Switzerland.

F.A. Cup to Manchester United

Before a crowd of 100,000, which paid £A111,250 the underdogs, Manchester United scored a 3 goal to 1 victory over the favourites Leicester City at Wembley Stadium.

The highly priced Manchester side, said to be worth £360,000, narrowly missed relegation from 1st division this year.

However, in this big Cup final they played their best football of the season.

Dennis Law, Manchester's Scottish international inside forward scored their first goal about 30 minutes after the start for them to lead.

In the second stanza, David Herd another Scottish international with Manchester scored to give them 2 goals to nil lead.

Keyworth scored for Leicester City, but another goal from an injured Herd made the match and the Cup safe for Manchester.

Apart from Laws and Herd, the goal scorers, the Manchester left winger Charlton played a good match.
